

An Invitation to join the International Association of Geosynthetic Installers from President Brian McKeown

We invite you to join the International Association of Geosynthetic Installers, a dynamic association of geosynthetic professionals created by and for installers. Otherwise known as IAGI, the association is here to serve as your advocate. Specifically, IAGI's mission is to advance installation and construction technologies as well as to provide a central clearinghouse for worldwide industry information.

We provide you with four newsletters each year to keep you up-to-date on industry happenings. With increasing industry awareness, IAGI's Certified Welding Technician program continues to grow. IAGI's Approved Installation Contractor program was designed to recognize companies that meet a minimum level of professionalism and business practices. We invite your involvement and input in these programs as we strive for quality workmanship in this industry.

Join IAGI now for \$500 (USD). Call our Managing Director, Laurie Honnigford at +1-651-554-1895 if you have any questions.

We hope you will join us soon!

Brian McKeown

The logo for the International Association of Geosynthetic Installers (IAGI) features the letters 'IAGI' in a bold, blue, sans-serif font. A thick blue horizontal line is positioned directly beneath the letters.

Benefits of Membership

Certified Welding Technician (CWT)

This program defines standards of proficiency; recognizes the knowledge, experience and skills of installers; and rewards those who qualify with an industry recognition level. Employees of member companies receive certification discounts.

Approved Installation Contractor (AIC)

The AIC program aims to promote industry growth and provide better quality workmanship by recognizing geosynthetic installation companies that meet a minimum level of professionalism and business practices. Members receive application discounts.

Quarterly Newsletter

IAGI sends out a newsletter to keep the membership up-to-date on industry happenings. Member news and tips that will help the installer in the field are welcome.

Industry Representation

IAGI provides a collective voice on matters affecting installers and furthers the industry by representing installers at trade shows and conferences.

IAGI Membership Categories

(Please check one):

Installer Membership \$500

Any organization engaged in the installation of geosynthetics.

Associate Membership \$500

Any organization not engaged in the installation of geosynthetics but that regularly does business with the industry, such as suppliers and consultants.

Member Application

Membership will be in the name of the company and one person shall be designated to represent the firm in matters affecting association membership. If a colleague within your company would like to receive their own copy of the IAGI newsletter, please include their mailing information on a separate sheet of paper.
